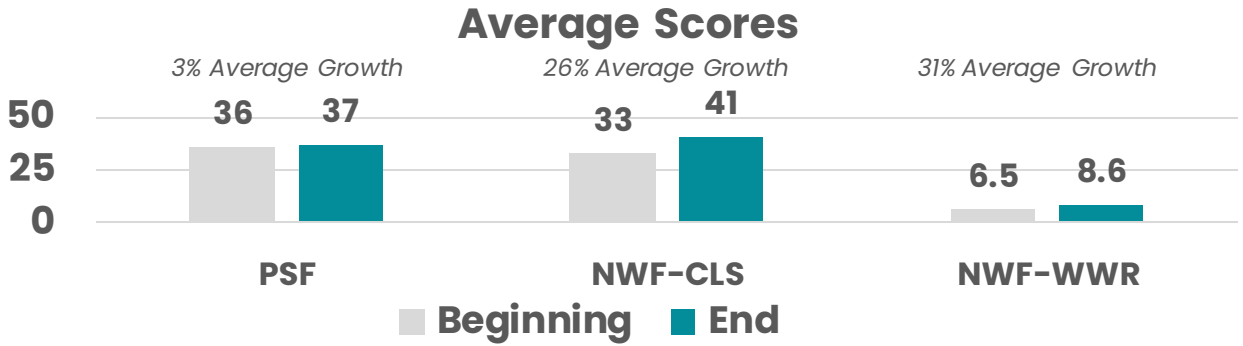
# Student Reading Growth

**87% of students** tested at both beginning and end grew in at least one measure.

As a whole, students grew in **three out of three early and intermediate reading skills**.

Students were assessed in three Acadience measures:

1. Phoneme Segmentation Fluency (PSF)
2. Nonsense Word Fluency - Correct Letter Sounds (NWF-CLS)
3. Nonsense Word Fluency - Whole Words Read (NWF-WWR)



*Scores represent averages of students who were tested at both time points.
